## WE HAVE MADE IT AS EASY AS POSSIBLE FOR YOU TO BOOK A SWIMMING SESSION:

1) Download our LeisureWorld App

2) You will see that we have designated a number of sessions for swimming pool access.

3) You can arrive at any point during that session.

4) You will be given a wristband & this will allow you 1 hour 15 minutes access.

5) You should maintain social distancing in all areas, especially corridors and changing areas.

6) Pre & Post rinse showers are available on entry & exit, but no hair washing or prolonged/private showers are allowed.

7) Lane swimming sessions will have various speed lanes, and you may be asked by the Lifeguard to move to a lane more suited to your swimming speed (if needed to help with social distancing).

8) Family Swim bookings are for 4 (2 Adults / 2 Children or 1 Adult / 3 Children).

9) Parent & Toddler or Parent & Child should book in under Lane Swimming/Open Swim Sessions. Children under 4 are free, Children over 4 will be charged at entry, but parent should book in advance.

10) **Please note** Family sessions are in the 18m pool in Bishopstown, and the Flume & play feature are currently not available in Churchfield.
