

Clean Sport & Anti-Doping Policy

Commitment to Clean Sport

LeisureWorld is committed to protecting the health of our customers, the integrity of our community, and the spirit of fair play. The facility operates a strict **zero-tolerance policy** toward the use, possession, or distribution of Performance Enhancing Drugs (PEDs) and prohibited substances, applying equally to competitive athletes and recreational customers.

Regulatory Alignment

This policy is aligned with the standards and frameworks established by **Sport Ireland, Ireland Active**, the **World Health Organization (WHO)**, and the **World Anti-Doping Agency (WADA)**.

Customer Obligations & Strict Liability

By using LeisureWorld facilities, you expressly agree to the following conditions:

- **Compliance with WADA Code:** Customers must not use, possess, traffic, or attempt to distribute any substances or methods featured on the current *WADA Prohibited List (2026)*, including but not limited to anabolic agents, hormones, and stimulants.
- **Strict Liability:** In accordance with international anti-doping principles, the rule of "Strict Liability" applies. Customers are solely and personally responsible for any substances found within their body, equipment, or personal property while on LeisureWorld premises.
- **Supplement and Medication Awareness:** It is the sole responsibility of the customer to verify that any medications or nutritional supplements they consume are safe and permitted.
 - LeisureWorld strongly advises members to check medications via the **Medcheck** tool on **Sportireland.ie** (or **Eirpharm**) and to use only batch-tested supplements (e.g., *Informed-Sport*).

Enforcement and Termination of Membership

- **Right to Investigate:** LeisureWorld reserves the right to investigate any suspected breaches of this policy to ensure the safety and integrity of the facility environment.
- **Immediate Termination:** Any customer found to be using, possessing, or distributing prohibited substances or PEDs within or around LeisureWorld premises will have their membership/access terminated immediately and permanently.
- **Reporting:** In cases involving the illicit distribution or trafficking of prohibited substances, LeisureWorld reserves the right to report the matter to Sport Ireland and relevant law enforcement authorities.

Confidential Reporting & Resources

Customers who have questions regarding this policy, or who wish to report a suspected breach in total confidence, should contact the **Duty Manager**. Further information and verification tools can be accessed directly at www.sportireland.ie/anti-doping.
